Sasco Contractors is a full service electrical contracting company. Established in 1985, it remains a family business and with offices in Burnaby, Kamloops, and Victoria we can service the commercial and industrial electrical construction/service markets across all of BC. Working with BC's premier general contractors, property managers, and building owners we pride ourselves on providing solutions to their complex electrical problems.

If you want to get in touch with us, please email Craig Paquin at [cpaquin@sascocontractors.com](mailto:cpaquin@sascocontractors.com) for more information.

SPONSOR PROFILE

**UGC Members,**

**I wanted to take a moment to express my gratitude for being a part of this amazing membership at the University Golf Club. It's truly an honour to be given a sponsorship opportunity and contribute to our shared success.**

**I'm excited to extend a special offer exclusively for our group at UGC. Anyone who lists and sells a property with me will receive a 10% commission repayment. This can help cover legal fees, moving costs, or any minor home improvements you have in mind. It's my way of showing appreciation for your business and for entrusting me as your realtor.**

**I can't wait to catch up with each of you on and off the course this season. Whether we're grouped together or grabbing a bite post round in the clubhouse, I'm looking forward to spending time at a place that we all care so much about.**

**Thank you for allowing me to be a part of this exceptional community. If you have any questions or want to take advantage of this offer, please feel free to reach out to me directly.**

**Sincerely,  
Andy Willigar**
